Vehicle Description

Outstanding used Ford Ka Hatchback 1.2 Zetec 3dr. The original Ford Ka was a hugely popular model, especially among those wanting a cheap-to-run and easy-to-drive small car. Its cartoonish looks make it stand out, and even though it is close to the Fiesta in size it is popular for those who wanted something funky as well as economical. Thankfully Ford have stuck by this winning formula and all these traits are still in all the KA's to date. This Ford Ka comes fully equipped with a Low insurance group, Privacy glass, a Heated windscreen and Radio/CD + MP3. All our cars come with 2 keys, a minimum of 6 months MOT, 3 months PVL Warranty, our Price Promise and our Preparation Guarantee. We can arrange an appointment, test drive or even a video to give you a bit more info - call us weekdays until 9pm. Visit us instore, buy online for safe home delivery or click and collect in store! This car has been subject to our 114-point mechanical inspection and preparation process to ensure it meets our extremely high preparation standards.
